Chamber Suggests County Government

The county form of government in this part of the province has been under consideration by the Drayton Valley and District Chamber of Commerce for some time and prompted a recent brief to Hon. A.J. Hooke, Minister of Municipal Affairs.

The brief, dated May 21st, was worded as follows:

"Whereas the Drayton Valley and District Chamber of Commerce being duly registered under the provisions of the Federal Boards of Trade Act and representing the trading area surrounding and including the Town of Drayton Valley including large portion of I D #77 and I. D. #78;

And whereas the Drayton Valley and District Chamber of Commerce is concerned about the welfare and progress of its residents both urban and rural;

And whereas the rural residents of this area are in the main governed under the provisions of the Improvement District Act;

And whereas the economy of the area is such that it provides an assessment of real property in an amount sufficient to warrant economic self-government;

And whereas preliminary negotiations have been carried out by the Municipal District of Stony Plain No. 84 and the department of Municipal Affairs with the view to possible formation of a county which would include present areas within the boundaries of M. D. of Stony Plain No. 84; and portions of Improvement Districts No. 77 and 78 for the common interests of all residents situated therein;

And whereas assessments throughout the Province have been equalized - including I. D. 's 77 & 78.

Now therefore be it resolved that the Drayton Valley and District Chamber of Commerce favor the establishment of a new County which would be comprised of all of the area of the M. D. of Stony Plain #84; all of I. D. #77 and all that portion of I. D. #78 located in the Electoral District of Stony Plain, provided that the ministerial order establishing said county also include provisions whereby residents of the proposed county be permitted to determine by plebiscite the location of the county seat.

And be it also recommended that the name of the proposed County be: The County of Wabamun No.?"

MINISTER REPLIES

In a reply, dated May 13th, Hon. A.J. Hooke stated that the Chamber's resolution would be given consideration if an application is received for the formation of a county in the area in question. However, he pointed out that the government can form a county only on receipt of an application from the council of a municipality or the board of a school division, which ever comprises the major part of the area.

He also advised that no condition can be applied to the formation of a county for the holding of a plebiscite to determine the location of the county seat. Legislation governing municipalities leaves the establishment of the office of the municipality to the discretion of the council of the municipality concerned, he said.

FURTHER QUESTIONS

Mr. Hooke's letter in reply to the brief brought up several questions which were directed to the minister in another letter from the Chamber dated, May 19. The Chamber of Commerce points out that, geographically, I. D. 's No. 77 and 78 represent the major portion of the area suggested in the brief as the new county. The letter goes on to state that the assessment of I. D. 's No. 77 and 78 is \$28,770,533 compared to \$26,571,650 for the M. D. of Stony Plain. It also adds that the assessment of the I. D. 's does not include the Brazeau Dam development which is included in the area proposed by the chamber and would bring the assessment in the two I. D. 's to over 30 million dollars.

Patrol Boats Required

Word has been received by Fred Raven of the Chamber of Commerce's Canoe Race Committee that two boats are required for patrolling the river between Rocky Mountain House and Drayton Valley during the White Water Canoe Race in July.

John Nickel, Commodore of the Alberta Paddlers group, stated that the association will pay gas and transportation expenses for anyone willing to provide a boat for the race.

Anyone who might be willing to help is asked to get in touch with Fred Raven.

Prize Money of \$5,000 in Five Alberta Canoe Races

EDMONTON -- A total of five canoe races, offering prize money amounting to more than \$5,000 will be held in Alberta this year.

The 1966 schedule, includes one new race, a 100-mile event along the Bow River between Banff and Calgary. To be called the "Bow Water Race", this event will be held July 9th and 10th, preceding the start of the Calgary Stampede.

Two of the races on the 1966 schedule have already been held. The Medicine Hat Empress Race was held on May 28th, and the Voyageur Race at Rocky Mountain House was staged on June 12th. Other A.P.A. -sanctioned events include: July 3rd, Edson; July 9-10th, Bow Water Race - Banff to Calgary; July 15-17th, White Water Race - Rocky Mountain House to Edmonton; July 30-31st, Lac La Biche; September 4-5, Drayton Valley.

A.P.A. President, John Nikel says this schedule "assures Albertans of seeing the top paddlers in North America in action". The U.S. champions, Ralph Sawyer and Irvin Peterson, along with the perennial Canadian champions, Norm Crerar and Gib McEachern, are expected to

take part in several of the A.P.A. events, according to Nikel. Entries are also expected from Quebec, Manitoba, British Columbia, and of course, Alberta.

Nikel points to last year's White Water Race as evidence that "the popularity of canoeing is definitely on the increase in Alberta." The 1965 event attracted a total of 84 entries, although only 43 managed to complete the tricky 176-mile course from Rocky Mountain House to Edmonton, along the North Saskatchewan River.

"With the Centennial Canoe Race only a year away, this will be a banner year for canoeing in Alberta", predicts Nikel.

Library News

The library will, of course, be closed on Friday, July 1st. During the summer the library will be open for borrowers on Tuesday evening from 7:30 to 9:00 p.m.

Our readers are the most important book reviewers we could possibly have. This is what they had to say last week about some of the books read.

"The Magus" by John Fowler - different, thought provoking, the best book read this year.

"John Plantagenet" by Freda M. Long - gives new insight into the character of King John, holds attention throughout.

"Legend of the Seven Virgins" by Virginia Holt - wholesome, some suspense.

"Is Paris Burning?" by Collins and Lapierre - fascinating will be long remembered, written with skill.

Why not express your opinions when returning books? Favourable, or not, they are always of interest.

Smoking two cigarettes can raise the heart beat 25 beats a minute and increase the blood pressure.

Watch Tower Convention

Almost the entire congregation of Jehovah's witnesses in the Drayton Valley area are making plans to attend a district convention in Vancouver's Empire Stadium, August 3-7.

A crowd of 35,000 is expected from all parts of the Pacific Northwest.

Mr. Thomas Moss, presiding minister of the local congregation, talked of convention preparations this week. He said: "Complete cafeteria and rooming facilities are being provided. Hotels, motels and private homes in the greater Vancouver area are being contacted for room listings, so all delegates are assured of having accommodations." He continued, "Between sessions a cafeteria, manned by Witness volunteers will be in operation providing full course meals three times a day, right on the convention grounds. Facilities like this allow the delegates to obtain the maximum from the convention program."

Convention officials state that the highlight of the Vancouver convention will be the public discourse on the final day by a special representative of the Watch Tower Society. The subject will be "What Has God's Kingdom Been Doing Since 1914?"

Former D.V. Teacher Elected

A.O. Jorgensen of Edson was the successful candidate in the by-election for the position of district representative for Edmonton District. He will complete the unexpired term, to June, 1967, of Harold G. Ross of Clyde who found it necessary for health reasons to resign.

Mr. Jorgensen will represent teachers in the Edson, Wetaskiwin, Westlock, Leduc, Strathcona, Barrhead, Lac Ste. Anne, Stony Plain, Edmonton Suburban, St. Albert, and Sturgeon school units in dealing with the Alberta Teachers' Association.

For the last three years Mr. Jorgensen has been principal of the Edson Jubilee Junior High School. Previous teaching experience includes two years at Peers as principal, two years at Drayton Valley as vice-principal, and seven years as principal of Duclos School in the Bonnyville School Division.

Appeal for Bursary Funds

Drayton Valley Professional and Business Men's Bursary and Scholarship Association seek the support of the business firms and clubs in its annual appeal for funds for Bursaries for students completing High School and seeking to further their education. As time is short, the interested parties are asked to contact Bob Cowan 542-4020 or 542-3265 before the end of the week.

Dress Up for Klondike Days

The atmosphere for the Klondike Ball will be created by fashions of the "Klondike Period." Buy them, sew them or rent them -- but do dress the part.

Ruffles, plumes, enormous sleeves and parasols will accent the attire of our ladies. This year the selections of Klondike Fashions are varied and made to please everyone, from the frivolous Can-Can dress to the sedate full length

dress.

For the seamstress patterns are original and fabrics varied ranging from organdy or voile to dark prints sprinkled with minute bouquets. For elegance brocades and taffeta's are draped into beautiful ball gowns in shades of royal blue, wines and greens. The petit miss will adapt the granny gowns which come in soft gingham and many-colored floral patterns. Revive your pretty patio gown into a homespun Klondike frock.

For the man, purchase or sew a jazzy vest in brocades, checks, stripes or plain colors; striped gay nineties coats, bowler hats or straw boaters, bow ties, arm bands and Klondike Mike's men's jewelry

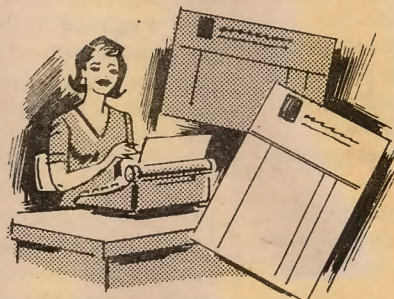

Investing in Klondike attire will work for you around the calendar since our Centennial year is 1967. Remember, all this is part of an era we are entering, for Klondike Fashion can be adapted for our Centennial Celebrations of '67.

The Klondike Ball is July 15th and 16th at the Klondike Inn (Drayton Valley Curling Club) so dress the part for the gala affair and dance to the sound of Al Breault.

WHEN OPENING YOUR COTTAGE

When you open your summer cottage, check your screens and doors for necessary repairs. Sweep up all dust and evidence of insects and mice. If you left poisoned mouse seed last year, burn it but don't throw it outside where wild birds and chipmunks can be poisoned. Spray every room with reliable insect spray, and close doors and windows an hour or so. Then air the whole building.

1 - Pylon 2 - Hook 3 - Brace 4 - Guard rail

There are two widely used methods of attaching the towline to the water ski boat.

Tow Bridle: The bridle attaches to each side of the transom and the towline attaches to a pulley runs along the bridle. There are several disadvantages to using a tow bridle and these can be solved by using a pylon.

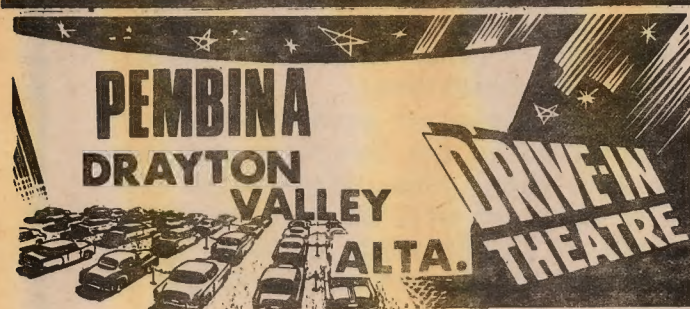

Towing Pylon: This is the best way to attach a towline because it brings the rope changing function into the boat. The pylon lessens the effect of the lateral pull of the skier on the direction of the boat and decreases the chance of fouling towlines in the propeller. An inexpensive pylon can be built using parts obtained from the local plumber. Two inch OD pipe should be used, attached securely to the floor. A strong brace should be attached at or above the mid point. A hook or ring should be welded on top. Don't forget that a guard rail over the engine will be needed to prevent the towline from fouling protruding engine parts.

Chamber Suggests

Continued from Page 1

The Chamber of Commerce letter adds: "While your letter (Mr. Hooke's) does not indicate an alternative to an application from the M. D. or the School Division, we are wondering why it is not possible for your Department together with the I. D. Advisory Board, to make this application on behalf of the I. D. 's #77 & 78. The County Act, Section 2 (b) states, "Municipality" means any municipal district, Improvement District or Special Area. Section 3 (1) states an application is to be made by a Municipality or School Division. We, therefore interpret an Improvement District as meaning Municipality for the purposes of the County Act and we presume there must be some means by which the I. D. could make this application, particularly in view of the foregoing paragraph which illustrates the two I. D. 's as being the major area covered."

TAKE INITIATIVE?

The Chamber notes that the Stony Plain School Division or Municipal District may not wish to make application for county status and suggests that the initiative may be left to the Improvement Districts. If the I. D. 's may not move to county status, it seems logical the letter suggests, for them to proceed to "Municipal District" status,

then if desired, enlarge to a county at some future date.

In closing the letter states: "After considerable study on the pros and cons of local government versus Improvement District Administration, this Chamber very definitely feels the two I. D. 's are suf-

ficiently mature and with adequate tax base to properly handle local government affairs without subsidy under the provisions of the Improvement District Act."

The Chamber of Commerce is now awaiting further comment from Mr. Hooke.

SOUND STRATEGY TO SAVE STROKES

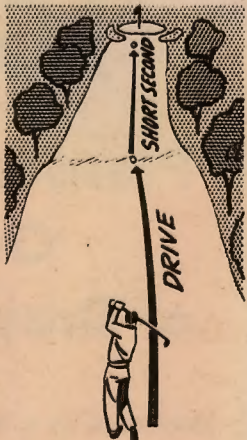

Golf course architects seem to be relying more and more on sand bunkers around greens to test a golfer's skill. Often we find only a very narrow opening to the putting surface.

Still, golfers continue to try to shoot shots through these narrow avenues. This can be a costly practice, especially for players who are a bit shaky on sand shots.

I advise most golfers to play short of such greens (see illustration) unless they are reasonably certain that they can carry the bunkers.

If you play short, you will still be in good position to pitch onto the green and one-putt. You can still get a par on par-4 holes and, possibly, a birdie on short par-5's.

You will be reasonably sure of having a good lie in the fairway from which to play your next shot. If you go for the green and hit the sand, you might come up with a bad lie and ruin your round by going several over par.

If you think you don't need disability insurance, you haven't seen the statistics.

Of 1000 persons aged 35, 33% will be disabled by illness or injury—for three months or more—before they reach age 65. That's what the statistics show.

What kind of statistic will you be?

It makes sense to look into a Manufacturers Life Personal Income Protector Plan. Nothing can give you such peace of mind as the sure knowledge that if you are disabled and cannot work, a guaranteed income will come your way.

Our Plan has many advantages. It offers you a wide flexibility in amount of income and the length of time it will be paid. You can co-ordinate the plan with your other resources; tailor it to your needs and your pocketbook. Manufacturers Life cannot cancel the policy nor can your premium rate be raised—ever. The plan can be adjusted to correct the inadequacy of any short-term coverage you already have.

If you are interested, call the Man from Manufacturers. When advising you on disability income he offers you the same competent counsel available to you when you are planning your life insurance security.

LEGION NEWS

Comrades, not too much news has been turned in during the past month so this column will of necessity be short.

Attendance at the District Rally held at Jasper Place Branch on May 29th was small and because of this very little business was transacted. Several important items were on the agenda -- curling, golf and the Dominion Centennial project. These matters were all deferred to next rally.

At the last general meeting two new members Albert Dennis and Roy Gossel were initiated. We bid these two chaps a hearty welcome.

Thirteen of our members and their wives journeyed to Hinton a few weeks ago to challenge that Branch to shuffle board. Reports indicate they were outclassed in this event and Hinton retained the sports trophy. However, our group brought back the friendship cup and what we lack in shuffle board skill we make up in comradeship.

We have learned that Ira Smith is on sick call and we wish him a speedy recovery.

The Legions annual barbeque is scheduled for July 8th. Anyone wishing tickets is asked to get in touch with Jerry Donovan.

Members will be interested to know that Cadet Tom Cameron qualified for the

Legions Flying Scholarship this year and will be attending Flying School in Edmonton later this summer. Also 12 cadets from the local squadron will be attending summer camp at Penhold.

With the Branches tenth anniversary coinciding with Centennial year we are preparing a brochure tracing this Branches growth over the past ten years. Any members, particularly the ones that have resided in Drayton Valley since 1957 or earlier are asked to contact Jerry Donovan or Tommy Shields with any information that could be used in this booklet.

For those of you have not heard the news via the grapevine, our Secretary Jake Berg has been transferred to Cold Lake by his employers. Jake reports that as soon as he can find suitable housing there he will be moving his family up.

Those members who missed receiving their copy of the Legionary this month are reminded that dues are past due and upon receipt the Legionary will resume. Membership figures for this year are running slightly behind last year and if we want to match or exceed figures for last year we need your renewals. Also, circle July 6th on your calendars as date of next general meeting.

Anglican Rural Deanery Holds Meeting in Edson

The first annual conference of the Anglican WA Rural Deanery of Jasper was held May 18th in Edson with delegates attending from Drayton Valley, Evansburg, Edson, Hinton and Jasper.

The Rural Deanery of Jasper has been formed to make a more workable group than was possible in the vast area formerly covered by the Rural Deanery of Pembina. This had covered the area from Jasper to Drayton Valley, to Barrhead, etc. even taking in part of Edmonton.

The theme of the conference was "Draw Thy Church Together".

The conference opened at

Ingram, Rural Dean, was celebrant; Rev. Boyd Dowden was Preacher.

The conference then moved to the basement hall of the Sacred Heart Church where registration took place and the business agenda began to unfold. An address of welcome was extended by the hosting Edson WA which was replied to by the Drayton Valley delegates.

The Grade IX graduation banquet held on Saturday, June 4th at the Lindale High School auditorium was a real success. Ira Haight, president of the Lindale P.T.A. was master of ceremonies. Mr. Goltz introduced each student and Mr. Wake, principal of the school presented them with a letter of commendation. Iris Thyer of Berrymoor was valedictorian of the class. At the completion of the program the graduates presented their mothers with their corsages and boutonnieres.

A group of the Berrymoor Church folks motored to Breton on Sunday evening, June 5th to attend the service in the Mission Covenant Church there. Mrs. Muriel Campbell pastor of the Berrymoor P.H. Church was the guest speaker.

Mr. and Mrs. Clifford Johnston who have been living in Port Alberni for the past few months are returning to Alberta as soon as the children are out of school. Shelley plans on teaching again next fall, somewhere in the Fort Saskatchewan area.

Mrs. Barrett has returned home after spending a week in Edmonton. Some of the high school students and their parents went to Breton on Monday, June 6th to attend "Awards Night".

The Farmer's Day picnic which was to be held at the Lindale Hall on Friday was rained out.

Ken and Emily Hannem and family, and Ed and Jean Beck and family were weekend visitors at the homes of James Robson and John Robson.

We are glad to hear that George VanEmber has returned home after spending some time in an Edmonton hospital.

Gordon Gillespie returned home recently after spending a few days in the Drayton Valley Hospital.

Mr. and Mrs. Ralph Davidson visited the Cropley's on Monday. They are on holiday and will visit Ralph's folks in Saskatchewan.

Summary Separate School Meet

The regular meeting of the Board of Trustees of the Drayton Valley Roman Catholic Separate School District No. 111 was held in the staff room of St. Anthony's School last June 12th at 8:30 a.m.

Board members present were Mr. E.C. Meraw, Chairman, Mrs. E.A. McGee, Vice-Chairman and Trustees Mr. J. L. Serenas, Mr. T.P. Mulgrew and Mr. A.J. Telford. Secretary-Treasurer, A.E. Andruschak and Principal, J. A. Orioux were also in attendance.

Mr. Meraw advised the Trustees that an agreement had been reached with the Teacher's Salary Negotiating Committee with respect to the 1966-67 salary schedule and contract terms. A few minor points were yet to be discussed and agreed upon. Mr. Meraw indicated that the complete agreement would be available for consideration by the Board at the July 10th regular meeting.

On a recommendation by Mr. Orioux, the Board approved the hiring of a capable person or persons to organize the school library for the coming term. Mr. Orioux indicated that a large number of library and reference books were received and that a suitable arrangement was necessary.

A report from Mr. Orioux regarding Grade One registration day held last June 1st, indicated that a total of 42 registrations were made. He anticipated that 50 registrations were expected by September 1st. Mr. Orioux also reported on the success of the preliminary testing of the newly registered Grade One students and indicated that this procedure would be followed again in the future.

Gail Meston, Richard Duperon, Annette Ezenliegh.

Women's Novelty - Corrinne Dix, Margaret McCullagh, Jackie Harkie.

Junior Novelty - Donnie Stewart, Roxanne Schultz, David Meston.

A committee report recommended that the Board approve the additional coverage for vandalism to the school, and that no further additions or deletions be made to the present policy. The recommendation, after due discussion, was approved.

One amendment was made

to the 1966 operating budget. Revenues and expenditures were reduced to indicate equal figures of \$121,273.03.

After approval of accounts payable and examination of the May Financial Statement the meeting was adjourned.

Mr. and Mrs. Stanley Hodgson and family, of Edmonton, were visiting the Albert Hodgsons last week.

Mrs. Alfred Madsen is the proudest grandmother in town with two grandsons winners in the Baby Personality Contest.

Mr. and Mrs. Michael Freeman, of Bridgewater, England, have just arrived in Canada with their family and are at present visiting with cousins, Mr. and Mrs. Leif Stordalsvoll. The Freemans plan to stay in Canada and will live in Edson as soon as suitable housing accommodation can be found.

Mrs. Robert Jevne, formerly of Rocky Rapids, was in the district to visit old friends. She is spending some time in Edmonton with son and daughter-in-law, Mr. and Mrs. Ross Jevne. Mrs. Jevne makes her home in Vancouver.

Wee Lisa Anne Marie Sader has a brand new baby brother. He has been named Timothy Andrew Martin. Mrs. Sader is the former Louise Serenas. Mr. Sader is with the armed forces in Germany and Mrs. Sader and the children will be

going soon.

Miss Valerie Jacknisky was the guest of honour when Mrs. Wilfred Sleno and Mrs. Arvet Erickson entertained at the Sleno home on Saturday evening. The occasion was a bridal shower for Miss Jacknisky whose marriage to Mr. Gordon Tucker will be an event of early summer. During the evening Mrs. Sleno and Mrs. Albert Lainchbury entertained with a vocal duet and solos. Mrs. Charles Boulanger had organized several games and stunts to entertain the guests. Mrs. Sleno and Mrs. Erickson were assisted with serving by Miss Sandra Guze and Miss Janet Sleno.

Mr. Fred Kynoch had the misfortune to lose a cow and calf this week when they were struck with lightning. Mr. Kynoch's farm is about five miles West of Drayton Valley.

Mr. and Mrs. Leslie Hutchinson are to be living in Fort St. John. Mr. Hutchinson has already gone and Mrs. Hutchinson will follow as soon as the baby has recovered from an attack of pneumonia.

Cubs Hold Campout Over Last Weekend

Fifty-four boys attended the 1st Drayton Valley Boy Scouts Cub Camp over the weekend. All seemed to thoroughly enjoy themselves. Activities were, swimming, hiking, ball games, other games, eating and a little sleep.

The camp-out was organized and supervised by J. O'Rourke, District Cub-master. He was assisted by cub leaders, group committee members and fathers. Keeping the cook pots clean and preparing meals was done by the cub mothers.

Miss Valerie Moody kept watch on the swimming and was also prepared to attend cuts and bruises.

The camp site was a beautiful one furnished by Matt Leake.

The group committee wish

to convey their many thanks to all those who contributed their help and transportation on this outing. The co-operation of all was gratifying.

Preaching Mission at United Church

Beginning next Sunday, June 26th an event of unique significance will begin at the United Church. On that day, Rev. Fred L. Steen will begin a week-long preaching mission among us.

Rev. Steen is pastor of Mount Zion Baptist Church, Oberlin, Ohio. His congregation recognizes his talents as a missionary by setting him free for a month each summer to do this work. Rev. Steen is also active in mission work in Ohio, as well as being an active worker in the cause of civil rights. He also brings a reputation as a dynamic speaker and excellent musician.

"Communicating the Gospel in the Space Age" will be Rev. Steen's general topic, and he will begin his mission among us by preaching at the 11:00 a.m. service next Sunday, June 26th. His topic then

will be "Do You Believe in Miracles?" The mission begins that evening at 7:30, when Rev. Steen will speak on "Doubting Believers".

Monday, June 27th to Friday, July 1st, the meetings will be held at 8:00 p.m. and all are cordially welcome to attend. An offering will be taken each night to defray the cost of the mission.

Start your summer with spiritual refreshment and inspiration -- come join us in the Steen Preaching Mission, June 26th to July 1st at the United Church.

Canoe Clinic Planned for July

In our day and age clinics, short courses and the like covering a wide variety of interests are a dime a dozen. Scarcely a week goes by but such a period of instruction is offered in some sphere of our daily life. These clinics are a wonderful thing and many people benefit immeasurably by them whether directly by the persons attending the clinic or indirectly by the knowledge relayed to the community by those persons on their return home. The problem is, however, that too often the particular clinic offered does not strike a note of interest for a majority of communities and consequently is poorly attended.

There is, however, a clinic coming up in July which could prove interesting for some people in Drayton Valley and district. This is the Canoe Clinic for Instructors which will be held at the University of Alberta on July 22nd, 23rd and 24th starting at 5:30 p.m. on Friday, July 22nd.

This clinic is sponsored by the Recreation and Cultural Development Branch of the Government of Alberta, the Federal Fitness and Amateur Sports Directorate and the Alberta Paddlers Association.

The lecturer will be Norm Crero. The program will consist of lectures illustrated by films and the display of canoes and associated equipment. Practical demonstrations will be given and students will be given mimeographed notes of all the material covered in the different lectures.

The cost of the course will be \$3.00 for the weekend. Candidates are responsible for their own lecture supplies.

The course is open to anyone interested in improving their knowledge of canoeing but preference will be given to those willing to instruct others in their specific clubs.

The deadline for all applications for this clinic is July 15, 1966. The course fee (\$3.00) must be submitted with all applications and made payable to the Provin-

cial Treasurer.

This course will be cancelled on the deadline of July 15, if a minimum of 15 candidates have not registered at that time.

For further information about this clinic, contact the Recreation Office or Mr. E. Smith, Supervisor of Athletics Room 424, Legislative Building, Edmonton, Alberta.
